

# Campership Form

Girl Scouts of Central California South desires every Girl Scout to experience camp regardless of financial situations. We encourage our Girl Scouts to fundraise using the Fall Product and Cookie Programs. Camperships are to assist with camp fees but do not cover the entire cost of camp. Your Girl Scout will also need to submit a paragraph explaining why she would like to attend camp. Daisies and Brownies have an option of drawing what they would like to do at camp.

The deadline to apply is April 30, 2024. Complete and email to [customer care@girlscoutscs.org](mailto:customer care@girlscoutscs.org).

Girls will be contacted by the beginning of May whether or not they were awarded a campership.
