One of the most well-known and respected Girl Scout activities is the annual **Girl Scout Cookie Program**. This Program is the nation’s premier girl-led entrepreneurship and by participating in this activity, girls learn 5 Key Skills they will carry throughout the rest of their lives: Goal Setting, Decision Making, Money Management, People Skills, and Business Ethics. The Girl Scout Cookie Program is directly related to our mission of helping all girls realize their full potential and become strong, confident, and resourceful citizens. All proceeds from this Program stay local and benefit the girls directly.
