

Gold Mine Store

Curbside Pickup

FREE ● QUICK ● SAFE

Step One: Download & Submit Order Form

To help make your Gold Mine Store experience as smooth as possible, please use our order forms. If you require items not listed on the order forms, please list them in your email. Highlighted items on the order forms are special order. Please remember to include all contact information for the individual picking up of the order in your email.

Please submit completed order forms to:

Bakersfield: dschull@girlscoutssccs.org Fresno: goldmine@girlscoutssccs.org

Step Two: Wait To Receive Pick Up Time

Once your order is received, a retail associate will call the contact on the order form to complete your purchase and schedule your pickup time. All orders must be paid by credit card at this time. NO OTHER FORMS OF PAYMENT WILL BE ACCEPTED.

PLEASE ALLOW 24-48 HOURS TO PROCESS ORDERS.

Step Three: Pick Up Items From Gold Mine Store

Please follow all instructions when picking up your order. Out of courtesy to the next scheduled pick up. If you are more than 10 minutes late to your pick up, you will need call to re-schedule another pickup time/date.

For Bakersfield:

Brundage St. Gate Code: 1377. Please park in closest available stall. Upon arrival call: 559-470-6702

Please remain in your car. The sales associate will bring your order out on a cart. Once the sales associate has stepped back 6 feet, you may get out of your car and receive your pre-paid order. Once you return to your car, the sales associate will retrieve the cart.

For Fresno:

Please park on Shaw outside front gates. Upon arrival call: 559-470-6714

Please remain in your car. The sales associate will bring your order out on a cart. Once the sales associate has stepped back 6 feet, you may get out of your car and receive your pre-paid order. Once you return to your car, the sales associate will retrieve the cart.

*Items cannot be added at time of pickup. If you need additional items, you must send an additional email. If there is sufficient time, we will make every attempt to schedule the additions to be picked up with the first order.
