2020 GoNuts Fall Product Program Square

Square

Girl Scout of Central California South will support the usage of the Square reader device, by paying for the processing “fees” associated with using the square device at the END of the GoNuts Fall Product Program. Limited to 1 account per Troop. If your Troop already has multiple reader devices, set up the devices to link all sales by using the same account and sign-in credentials for each mobile device.

Starting October 1, 2020 and ending December 4, 2020 fees accumulated from the GoNuts Fall Product program will be reimbursed by Council. Please go to Reports on the Square App or online at www.squareup.com and upload the **Sale Summary: Overview** for your Troop account and **email** the report to: productprogram@girlscoutscs.org. Include in the email the Troop number and Service Unit.
