Instant Rewards

We're excited to bring a little extra fun to our Girl Scouts with the Cookie Season Instant Rewards! This new program is designed to give girls a quick, easy, and super fun way to earn rewards while they rock their sales.

How it works:

For every 50 packages in sales (up to 400 packages), your Girl Scout will earn a super-cool Pencil Topper! The more she sells, the more she can collect! It's like a little celebration for each milestone!

How to Claim:

It's all based on the honor system – when your Girl Scout hits 50 packages in sales, she can swing by one of our two council offices or connect with her SU Directors, who will be fully stocked to make it easy for those in the outer areas! Just make sure to tell your troop coordinator that you've picked up your instant rewards.

Bonus Alert!

This is just a little something extra – your Girl Scout will still get all her main rewards, too! We appreciate all the hard work and can't wait to see the girls having fun with this awesome bonus program! Let's make this season exciting and rewarding—one topper at a time!

THANK YOU
