TOPIC, QUESTION, OR ISSUE

or

THAT

or

TO I move that the Credentials Section of the Blue Book of Basic Documents, Membership Dues and Procedures for Registration be revised as follows:

The National Board of Directors must obtain approval from the National Council whenever a planned dues increase will result in dues increasing more than a total of ~~25%~~ 15% in any one triennium.

REASONS:

1. What is the issue the discussion topic or proposal is trying to address?
2. Are there other ways to address this issue?
3. How does this proposal improve Movement governance or policy? OR How does this discussion topic inform Movement strategy?
4. Does this agenda item have Movement-wide significance? Does it apply to all councils?
5. Is this agenda item time-sensitive? What happens if it is not addressed at NCS 58?

1. 25% of the upcoming \$65 dues is a much larger dollar amount than was 25% of the \$25 dues amount when this was first proposed in 2020.

2. Yes, we propose that National Dues be a permanent agenda item at all meetings of the National Council going forward. The thoughtful and robust discussions and debate which resulted from the Special Session allowed the National Council and the National Board to reach an agreed-upon dues level. Addressing dues increases at the beginning of each triennium is an appropriate solution, while still giving the National Board the opportunity to make financial decisions between the triennial meetings of the National Council.

3. Membership Dues increases should be reasonable and gradual to keep pace with inflation. Large dues increases would be best appropriately debated by the membership.

4. Yes. And Yes

5. Yes, this saves the additional cost of holding another Special Session
25% of \$65 is \$16.25, a large increase for a council to budget in financial assistance
15% is \$9.30, still a substantial increase, but less of a financial assistance challenge

FINANCIAL IMPACT STATEMENT FOR PROPOSALS

Indicate the projected expenditure and impact on resources for councils and the national organization, for a five (5) year period.

This proposal revises the guardrails on the National Board to increase dues without consulting the National Council, but would also allow for robust discussion on finances and membership dues at each triennial National Council session.
