EVERY GIRL IS A LEADER

Month of November

Every Girl is a Leader!

The Girl Scouts of the USA was founded in 1912, eight years before the 19th Amendment became law, giving women the right to vote. Juliette knew that the Girl Scout program could help build girls of courage, confidence and character. She gave girls the opportunity to lead and make decisions about what they did as Girl Scouts, so that they could develop “self-reliance and resourcefulness.”

At any Girl Scout level, Daisy to Ambassador, Girl Scouts have what it takes to lead the way! For November’s patch, girls will experiment with decision-making and planning. Too often, the important Girl Scout concept of girl leadership or GIRL LED, is forgotten. It is easier and less hectic when adults plan troop activities but that is where the girls can learn the most.

Patches and arcs are available for purchase at the Girl Scouts of Central California South Goldmine stores.
